[REDACTED]  
[REDACTED]

Dear [REDACTED]:

Your Surface Mining Permit No. P06-027AT2 for 370 acres in Hancock County, Mississippi, has been renewed. The new expiration date is 10/11/26.

Sincerely,

A handwritten signature in cursive script that reads "David Dockery".

David Dockery, RPG  
State Geologist and Director  
MDEQ Office of Geology
