Re: Surface Mining Operation
Parcel # 181 -0-11-001.000
Parcel # 182 -0-10-001.000

To Whom It May Concern:

The approvals for the above-mentioned property are valid for A Surface Mining Operation to be conducted on the referenced parcels, as long as the Surface Mining Operation stays within the boundaries as indicated on the MDEQ Permit.

Should you need any further assistance. Please contact our office

Thank you,

Anthony Cuevas
Hancock County Building & Zoning Department.
